Acknowledgements of President & Salon Chairman

The Chinese Photographic Association of Hong Kong has been organizing the International Photography Salon since 1960, and this year marks the 64th edition. Over the past six decades, this competition has provided a platform for mutual learning and progress, earning the warm welcome and admiration of photography enthusiasts worldwide.

Through the photography salon, we not only appreciate scenic landscapes, geographical features, and cultural customs from different parts of the world, but also gain insights into social conditions, economic trends, technological advancements, and artistic developments across various regions. This fosters cultural exchange and promotes intellectual communication, leading to collective growth. It is precisely this spirit that has kept our International Photography Salon thriving and vibrant.

We extend our gratitude to Dr. Kenneth Chau, the chairman of the salon, Mr. Philip Ng, the salon secretary, and all the salon committee members, judges, and staff. Their collective efforts have ensured the successful completion of this year's salon, yielding excellent results.

We hope that photography enthusiasts from around the globe will continue to support our international salon exhibitions in the days ahead, as we collectively advance the cause of photographic art.

San, Kin Yung

President, The Chinese Photographic Association of Hong Kong

This is the 64th International Salon organized by The Chinese Photographic Association of Hong Kong. It is my honor to be the Salon Chairman of the CPA Pictorial Photography 2024. The response to the Salon was overwhelming, there are a total 1,663 pieces of artwork covering wide range of themes submitted for the 5 different divisions of the event.

I would like to take this opportunity to thank all the local and overseas authors for their participation. My sincere thanks also goes to the President and Vice Presidents of CPA, Salon Committee Members, Panel of Judges, Advisors, Secretariat for their efforts and guidance to make this event possible and successful. Besides the personal sponsors, I would also like to express my special thanks to the following organizations and patrons:

- The Photographic Society of America (PSA)
- The International Federation of Photographic Art (FIAP)

Finally, on behalf of the Salon Committee of The Chinese Photographic Association of Hong Kong, I would like to invite you to extend your support and participation to the next Salon.
