FOREWORD

Since hosting the first International Photography Salon in 1960, The Chinese Photographic Association of Hong Kong Ltd marks its 65th edition this year. For more than half a century, we have upheld our core mission: to unite photography enthusiasts in friendship and mutual support, while advancing the art of photography. Our Salon offers photography lovers across the globe a platform for competition, learning, and growth. Over the past 65 years, it has garnered unwavering support and admiration from photographers worldwide.

Through the International Photography Salon, we not only appreciate scenic views, landscapes, and cultural customs from different parts of the world, but also gain insight into the social and economic development, technological trends, and artistic movements in various regions. Such cultural and ideological exchanges foster mutual understanding and shared growth — a key reason why the Salon continues to thrive and remain vibrant through the years.

This year, we received over 2,700 entries, setting new records in both participation and selected works. Many submissions stood out with their innovative themes and exceptional quality, making this edition a true feast of photographic brilliance. We eagerly look forward to even more outstanding entries in future editions.

The 65th Salon will be exhibited from July 26 at the Exhibition Hall in the Cultural Centre, Tsim Sha Tsui, Kowloon. I sincerely thank the Chairman of the Salon Committee, all committee members, judges, and staff for their tireless efforts — your dedication has been the cornerstone of this success.

Kin-Yung San

President

The Chinese Photographic Association of Hong Kong Ltd

ACKNOWLEDGEMENT

This is the 65th International Salon organized by The Chinese Photographic Association (CPA) of Hong Kong. It is my honor to be the Salon Chairman of the CPA Pictorial Photography 2025. This is a fruitful year that we received 2,668 pieces of worldwide artwork, covering wide range of themes for the 4 different sections of the event.

It is also a challenging year for the judges in the AI era. I would like to take this opportunity to thank all the local and overseas authors for their participation. My sincere thanks also goes to the President and Vice Presidents of CPA, Salon Committee Members, Panel of Judges, Advisors, Secretariat for their efforts and guidance to make this event possible and successful. Besides the personal sponsors, I would also like to express my special

thanks to the following organizations and patrons:

- The Photographic Society of America (PSA)
- The International Federation of Photographic Art (FIAP)

Finally, on behalf of the Salon Committee of The Chinese Photographic Association of Hong Kong, I would like to invite you to extend your support and participation to the next Salon.

Kenneth Chau

Salon Chairman of the CPA Pictorial Photography 2025
